Registration Process

1. Documentation

Sign up on our website or send/submit the form and documentation via email or at reception.

- Fill out and submit the online registration form
- Photocopy of DNI / Passport
- Recent passport-sized photo
- Photocopy of academic transcript
- Proof of enrollment (receipt, registration, etc.)

[Online Registration](#)

2. Personal Interview

Once registered, the admissions department will contact applicants to schedule an appointment. The interview is personalized and can be conducted in person, via videoconference, or video call.

3. Deposit and Reservation

The decision will be communicated within 7 days. If accepted, the deadline to pay the 2.000€ deposit will be provided. The transfer receipt must be sent along with the signed financial terms form, available on the website. The deposit date will determine the resident's seniority.

3. Confirmation

The place will be reserved for the period from September 1 to June 28 once the receipt of the deposit is confirmed. For stays outside this period, it is necessary to contact reception to check availability and book the required days, paying according to the daily rate.
